Data Bank of ARAP
Our Asset - Up to date database on Acid Rain, Atmospheric Pollution, Emission Inventories, Major Air Pollution Sources, Meteorology, Agriculture and Current Air Pollution Standards at local, regional and global scale. Access our Graphical view for better visualization of available dataset.....
[MORE](#)

Extreme Pollution Events
 Know National & Global extreme weather & pollution events...
[MORE](#)

Bibliography & Abstract Service
 Know the latest research on Acid Rain & Atmospheric Pollution...
[MORE](#)

ENVIS Publications
 Access our periodically published newsletters on various topics under Acid Rain & Atmospheric Pollution...
[MORE](#)

Kid's Corner
 Learn about clouds, rain, wind, climate, lightning, earthquakes, volcanoes etc. through animation...
[MORE](#)

Articles in Media
 Know the current ongoing news about air pollution, climate, weather of India and Globe...
[MORE](#)

Basic Science -ARAP
 Learn the science behind Acid Rain & Atmospheric Pollution, its causes, effects and solutions...
[MORE](#)

[Performance Reports](#) | [ENVIS Library](#) | [Glossary](#) | [Environmental Calendar](#)
 See our user engagement and interaction with various Stakeholders, our publication and subjectwise update of abstracts and articles... [more..](#)
 See our collection of books, magazines, scientific reports on air pollution, climate change and its effects on human health and agriculture... [more..](#)
 See various terms and definitions of phenomenon coming under thematic area acid rain and atmospheric pollution in alphabetical order... [more..](#)
 Know the National and International days celebrated on different environmental topics and contribute to create awareness... [more..](#)

Emissions : Health & Crops

A Research based initiative of integrating Air Quality with Health Advisories and Food Security.
 A dedicated Air Quality Information Service for Indian Metropolitan Cities to make India self sufficient
 in providing frontier research based Scientific accredited robust Air Quality Forecasting system.

National Certification - ISO 9001:2008 Accredited
 International Recognition - World Meteorological Organization (GURME - Pilot)

SWACHH BHARAT ABHIYAN
EK KADAM SWACHHATA KI ORE

2014 2019

Our Place... Our Planet... Our Responsibility

"I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness. I will neither litter nor let others litter. I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place."
